Copy of letter No.RC.No.3787/43-A.6 dated 19-10-43 from the Collector, Bellary to the Secretary to the Commissioner of Civil Supplies, Board of Revenue, Madras.

Sub: Establishment - Bellary district - Hospet and Bellary taluks - Increase of price control work - Appointment of a Deputy Tahsildar - Proposals submitted -

The Tansildar, Hospet represents that the work in his taluk has increased considerably due to the introduction of control orders of essential commodities. He has to attend to the reception & allotment of foodgrains and the collection of their cost. Besides, the introduction of the standard cloth scheme, is taking much of his time. To add to this the sugar cane crushing season commences from 1st November and the Tahsildar will have to attend to the preliminary work connected with the sugar cane commandering scheme. Hospet Taluk is one of the heaviest taluks in the district with a large wet ayacut, and the Tahsildar cannot attend to the special duties viz., Civil Supplies - Price control, war etc., without detriment to his other work. The Sub-Collector, Hospet recommends the appointment of a Deputy Tahsildar for a period commencing with the date of appointment upto 31-3-44 to relieve Tahsildar of some items of work. I agree with him. The work of the Tahsildar, Bellary has similarly increased. I, therefore, request that the Board may be pleased to address the Government for the sanction of two Deputy Tahsildars, one for

Bellary & S
